Flash every 5 seconds.
Blinkt im 5-Sekunden-Takt.
Spia lampeggiante ad intervalli di 5 secondi.

Clignote toutes les 5 secondes.
Parpadeo cada 5 segundos.
Pisca a cada 5 segundos.
Knippert om de vijf seconden.

K Web Based Management (Basic Edition Only)

1. Using a web browser, access <http://<IP Address>>, for example <http://192.168.42.1>. For a new or defaulted system, the IP address is received via DHCP or else defaults as follows:

- LAN Port: 192.168.42.1 / 255.255.255.0
- WAN Port: 192.168.43.1 / 255.255.255.0

2. Select IP Office Web Management.

C Unpack and Check

Check and retain all packaging.
Vérifiez et conservez tous les emballages.
Verpackung prüfen und aufbewahren.
Verificare che tutti i componenti siano presenti e conservare tutto il materiale di imballaggio.
Compruebe y retenga todo el embalaje.
Verifique todas as embalagens e guarde-as.
Controleer en bewaar de verpakking.

D Fit the IP 500 Cards

Read and follow the instructions provided with each card.
Lisez et suivez les instructions fournies pour chaque carte.
Anleitung der jeweiligen Karte lesen und befolgen.
Leggere e seguire le istruzioni fornite con la scheda.
Lea y siga las instrucciones incluidas con cada tarjeta.
Leia e siga as instruções fornecidas com cada placa.
Lees en volg de bij elke kaart bijgesloten instructies op.

1 Install the IP Office Admin Suite (All Editions)

Install the applications shown.

G Connect the LAN Cable

Connect the IP 500 V2 to the LAN port.
System defaults to DHCP client. If it receives no address via DHCP, the LAN and WAN ports will default as follows:

- LAN: 192.168.42.1 / 255.255.255.0
- WAN: 192.168.43.1 / 255.255.255.0
